Okay, enjoy the ride. I did that for years when I lived up that way and loved it – through Rock Creek and then down around the mall and up through Georgetown. Brings back nice memories.

I should have the concurrence package back from the program before COB. Then first thing tomorrow, Val and Suzanne will sign off and it will go to the RA for her signature on the concurrence memo, and then to Leif for signature!

Continuing work on fact sheet and PR. . .

Bob,

Going to take advantage of this break from the cold and bike home. Will be back on line – at least by phone – after about 5:30 if you want to talk.
